

ABOUT MD LOGISTICS

MD Logistics is a third party logistics company specializing in customized supply chain solutions. Our vertical markets include Life Sciences and Pharmaceuticals, Retail and Consumer Goods, as well as Transportation Services. In addition to cold chain and foreign trade zone warehousing, our services range from packaging, fulfillment and distribution to global freight forwarding and freight management.

Located in Plainfield, Indiana and Reno, Nevada, our combined facilities include state of the art Pharmaceutical and Retail distribution space.

QUALITY

Quality excellence is the key to MD Logistics becoming one of the fastest growing 3PL providers in Central Indiana. Over the years, MDL has developed a simple, yet elegant formula for achieving quality excellence, based on four actions that lead to satisfied customers. Whether we are delivering retail goods or life-saving medicines, our mission is to deliver the Right material, in the Right condition, to the Right place, at the Right time, On time, Every time. The formula is simple in concept, but not so simple in execution. Successful execution is what distinguishes MD Logistics.

OUR MISSION

At MD Logistics, our mission is to support our team of leaders, dedicated to each other and our customers, in order to remain fast and flexible while providing custom supply chain solutions in a high quality environment, on time, every time.

OUR VERTICAL MARKETS

LIFE SCIENCES & PHARMACEUTICALS

MD Logistics designs customized supply-chain solutions for global distribution of trade, sample and clinical specialty products. Our facilities are fully licensed and accredited, maintaining cGMP and VAWD standards, enabling us to provide compliant cold chain storage for finished and WIP products. We deliver these standards through the utilization of Red Prairie WMS and strategically located state of the art facilities. We offer full integration with our customers ERP software and support electronic data interchange for order management and reporting. Most critical to operational success, our dedicated and experienced pharmaceutical team stands behind our services to ensure the utmost product quality and maximum customer satisfaction.

Value-Added Services:

- Licensed Pharmaceutical Wholesaler
- Multi-site Redundant Facilities for Disaster Recovery
- Dedicated Call Center
- Control Room Temperature (CRT) and Refrigerated Storage (2 to 8°C)
- State-of-the-Art Digital Security Systems and Temperature Monitoring

Packaging Services for Life Sciences & Pharmaceuticals

MDL packaging services provide high-speed, high-volume, production without client capital investment. We specialize in providing hand-packing, kitting and labeling for pharmaceuticals and pharmaceutical devices.

“MD Logistics demonstrates their ability to effectively maneuver through complex regulatory processes to complete our projects on time and under budget.”

Joe Incalcaterra, VP of Operations at Audiovox

RETAIL & CONSUMER GOODS

MD Logistics client shared facilities manage high-volume, high-value, market-driven, retail-sensitive products for industries that expect maximum performance and flexible infrastructure. We handle B2B and e-commerce distribution, supporting the top 100 retailers in the country. Our tier one WMS fully integrates with our customers ERP software and supports electronic data interchange for order management and reporting. By combining a wide array of custom solutions, the MDL team manages your supply chain from start to finish.

Value-Added Services:

- E-Commerce Fulfillment
- Foreign Trade Zone Services
- Retail Compliance Labeling & ASN Management
- Physical Inventory / Cycle Counting
- QC Inspections & Default Testing

Packaging Services for Retail & Consumer Goods

MDL packaging services provide high-speed, high-volume, production without client capital investment.

FREIGHT MANAGEMENT SERVICES

From start to finish, our team is able to work as an extension of your distribution and fulfillment team, matching the right transportation with the right need. Through our volume of business and discounts with national LTL and parcel carriers, we can optimize customers' transportation budget, delivery commitments and freight payment requirements. Strategic locations offer easy access to third party networks, to meet late night order cut-offs for next day delivery.

TRANSPORTATION SERVICES | Beyond traditional warehousing and distribution services, MD Logistics offers freight management, global freight forwarding and brokerage services. Our Indianapolis and Reno facilities, both located near International airports and within a day's drive of over 80% of the US population, are strategically positioned to offer customers a range of all-inclusive transportation services and optimize their transportation budgets.

MD EXPRESS | MD Express is a fully licensed and insured broker, providing full truckload, LTL and flatbed services. We match the best transportation provider with the right need, leveraging volume to offer our customers the most economical transportation solution. Understanding that different freight has different transportation needs, we ensure quality with our validated, cold chain and secured trucking services.

GLOBAL FREIGHT FORWARDING | As a strategic partner with SEKO Worldwide, we provide global freight forwarding and door-to-door freight management services. Our diverse product offerings include domestic air, ocean or air import/export, as well as custom brokerage and purchase order management visibility. Additional services include active and passive cold chain services to meet the stringent demands of the pharmaceutical industry.

SERVICE OFFERINGS

At MD Logistics, we pride ourselves in providing the highest quality and most flexible supply chain solutions for our customers. We respond decisively and promptly to their complex challenges and work with them through the entire process. No matter what the need, big or small, MDL is able to cater directly to the specific requirements of each challenge.
